

At AutoService we believe that we are only as good as our staff and are always on the look out for courteous, conscientious, hard working people.

From time to time an opportunity exists to join our team of dedicated professionals consisting of Auto Electricians and Mechanics. This enables both trades to learn from each other, providing the chance (for those that desire) to upgrade skills and qualify in another trade. The work is carried out on a full range of vehicles including current model cars and 4WD's.

Benefits include:

A work environment that is clean and well lit in a workshop that is fully equipped.

Job satisfaction from the recognition of your efforts alongside a team of like minded individuals.

Ongoing Bosch training provided twice a year.

Excellent staff amenities within an air conditioned staff room including tea & coffee, microwave, television etc.

A generous above award wage package.

Bonuses paid on achievements.
